

Knuddy®

...is a pillow-shaped doll which would like to help children to bear the absence of Mommy, Daddy, or another loved one during their military deployment.

....how to purchase your Knuddy

- Send your photo by email (in a common format, i.e. JPG or PNG)
- We will adjust your photo to print in your KNUDDY
- Please use a camera has at least 3.0. megapixel to take your photo.

On the backside of your KNUDDY, we offer a little small bag as a "special feature". Use it to leave a note or a picture for your loved ones.

Under your chosen picture, you can also add a text message (up to 18 letters possible, including special letters and blank space) to personalize your own KNUDDY. For example, you can add the text message "My Daddy". We use a special printing technique, combined with a very smooth microfiber fabric. We create a picture which is printed "into" the fabric, so you won't feel it on your skin. Is the KNUDDY washable? Yes, it is washable and durable.

Prices:

The big KNUDDY (approx. 43cm) 24,80 Euro; add. Shipping
The small KNUDDY (approx. 30cm) 18,85 Euro; add. Shipping

Although our Homepage is in the German language, you may order in English language if you prefer!

We would be very happy if you visit our website
